Jean Quinn reminded members to wear name tag at meetings or else a 25 cent fine. We have new members and name tags are a great help.

Vicki and Linda will discuss with Lucille Amos the possibility of a class in the fall.

Respectfully submitted,

Our program for June is show and tell of your unfinished project that you plan to finish by January.

You are asked to find the one that you have had the longest. The one you are having trouble making yourself finish.

Please be prepared to tell how old it is, why you put it aside, who you started it for and any other history about the quilt you can remember.

I think this will be interesting and lots of fun.

Hope to see you at guild.

Linda

Quilts on  
Wheels

Again I can only keep telling all of you what a joy it is to have the participation in the guild that we are experiencing. Good times, friends (notice I did not say "old" friends) and refreshments. Not to mention a delightful speaker. I think we have been making good progress in getting back to having a good time at our meetings. I will be getting a date in Sept. or October for Lucille Amos to come for a workshop. That will be in the fall, we all go so much during the summer that it would be nice to have something to look forward to. I will keep you posted when arrangements are made. Remember you will have to pay up front to be part of this as it is a limited number and everyone wanted to do it.

I personally have been digging up UFO's for our June meeting. I have thought about this and I am going to challenge the guild to something that will also be due in January 2017. I now only have one uncle left and he served aboard a ship in the Korean War around Korea. I knew I feel we owe a thanks to our veterans for their service in any small way. I decided I could make a Quilt of Valor to give to him. I wish I had done this sooner for the uncle I lost 3 years ago, as he was a veteran of WW II. I think we should look at this as something we owe our boys who have served. You may not have someone in your family but you can still be a part of this. This can be done two ways, individually or a group get

together and do a top. These can be done with one individual in mind or make and donate it to the QOV chapter of Quilts of Valor that Rob and Betty belong to for them to give out. A log is kept about where these quilts go and so you know that they are going to a veteran. Any military service performed is eligible for one of these quilts. They give so much comfort to them and we get to feel the love as we make them. We have all heard that we don't do enough for our veterans, well here is a way to do just that. I will talk about this more at our June meeting and Rob and Betty will come and tell you more at the July meeting. I thought I could get them in June but they are leaving for Maine for three weeks at that time so that would not work for them. We all can get involved and do one!!!! We can even call it our QOV donation quilts for lack of things to do. Or we could even decide after you are finished with the UFO you pull out we can dress it up and make it into a QOV with stars or something to make it more for a veteran. We will discuss at the meeting.

Until then I can only hope that Sandy might get this out before QOV and we can talk about it then also.

Thank you again for all of your support for Linda and I on this endeavor to bring the guild back to a normalcy.

Happy sewing,  
Vicki

## Greeters Reminder -

It is your responsibility to get to our meeting room no later than 9:15am (maybe a bit earlier as members are coming earlier) – the Greeter badges are under the lid of the Library. Greet everyone and make sure they sign in and sign up for Show and Tell if they have any. Also

make sure that visitors are NOT seated in the very back but have chairs near other members. After the meeting it is also your responsibility to make sure that the meeting room is back in order – 5 tables with 2 chairs each on each side – chairs should be pushed in. One front table with one or two chairs. Make sure all the cabinets are securely locked before you leave. If you are not able to attend the meeting, please try to find someone to substitute for you if at all possible. Thank you to all who signed up for 2016. We have 2 greeters each month who welcome members and visitors, help with seating when needed, and make sure the room is set up before the meeting and cleaned up with all tables and chairs in their places. This has not been happening as members seem to take off immediately after the meeting, so please make sure you finish up your job so others don't have to do it for you each month. Thanks.
