Leader Lines

I began as your new leader 6 months ago and it has been an adventure. But my goals of leading you have not changed. I work for you the members of the guild to lead and teach with programs, workshops and field trips. I also want for each of you to enjoy every aspect that I incorporate in this guild. It has been an eye-opening experience for myself to work with each of you. When I see you laughing, enjoying and happy I know I must be doing something right. This gives me the energy for the next step. I'm looking forward to what is to come from here on out.

Thank you,
Pam

Don't forget that the Road Trip scheduled for Saturday May 20 has been changed to Friday May 19th. The reason for the change is that Bill's in Hildebran is not open on Saturdays

Magnolia Stitchers

Do you enjoy hand work? Or would you like to learn how to hand applique, hand embroidery, English paper piecing or hand piecing? Come join our small group and we can help you to learn or work on your skills – no machines! We have around 5 to 7 members and enjoy hand sewing of various kinds at our meetings. And sometimes we have a small program – hand applique is our specialty.

Please come and join us – we meet the second Wednesday of each month at 10am. Bring your lunch or quickly pop out to purchase something. If you would like to come it would be really helpful if you would contact Sandy beforehand so she can provide handouts if needed.

If you prefer to make charity quilts at home please continue to do so. Our charity quilts are the reason why we have a free place to meet. Please continue to make those charity quilts.
