Leader Lines

The meeting for September was quite different from the usual. The program had been canceled and left us wondering what to do. I had quickly come up with a program but decided it would be more appropriate to have a round table discussion about our guild's future endeavors. This decision was productive in many ways. The guild was encouraged to follow through and not let anything hinder us from continuing and enjoying ourselves. So, let's just keep on keeping on!!!

Margaret

Quilts on Wheels

We are working on kits to hand out in Oct. We will have baby quilts ready to quilt, label and bind. We have bags ready to make. We will have quilt tops to sew. When you get these done we will cut backing and batting for you. We will need members quilters for those who don't quilt. Let me know what you can do and let's help these flood victims. Quilts and bags made from October to March 2018 will go to Texas. April 2018 through September 2018 will go to Florida.

Pam

Magnolia Stitchers

We are a small group of quilters who enjoy hand work – hand applique, hand piecing, English Paper Piecing, hand embroidery and hand quilting. We meet the second Wednesday of each month in Room 319 at 10am. Bring your lunch or pop out for something to bring back. We are a very social group and have lots of fun. New programs will start (hopefully) in January 2018. Just give Sandy a call if you want to come – join us or see what we are all about – it helps to know ahead of time.
